# Colorado's newest dealer franchise protections—

## How to use tools created by the 2017 State Legislature

Auto dealers won a huge victory when the 2017 Colorado State Legislature passed SB17-298 in May. These seven amendments that were added to the Colorado dealer code go into effect on August 9.

CADA fought hard on your behalf for these seven amendments. Now, learn how their passage – and the changes they bring – can affect your dealership.

Please join CADA as Michael Dommermuth, director of Fairfield & Woods, P.C., leads this important seminar on the changes to the law, why they were there, how they could affect your business and what you can do to safeguard your dealership.

On August 8 and 9, Michael will present in five cities throughout the state: Grand Junction, Glenwood Springs, Loveland, Denver and Colorado Springs (See the cities and times to the left.) Plan to attend the one closest to you, so you're ready for what's literally right around the corner!

## You'll learn

How, why and what to do with the seven-part bill:

- Recall reimbursement

- Two-tier pricing
- Facility upgrades
